A Message from Friends' President

I like books, even before I started reading at about age four. Libraries have always been where I've lived and I've made regular use of them. I cannot imagine living without a library near.

The Superior District Library (SDL), of which Bayliss is one of eight members, was voted into existence in 2013 with a millage rate of 0.5 mills. This is the main source of funding, with a small portion coming from penal fines and State Aid. SDL serves 42,000 permanent residents.

On February 27th, you will have the opportunity to show your support for the library by voting YES on the millage. The millage proposal is for 1.0 mils (0.9976 due to Headlee rollbacks). Operating costs have increased (think about your electric bill) and funding sources have decreased (legalization of marijuana and higher speed limits), compelling the increase. Is it worth it?

How much does a new book cost? \$30 plus. [*Libraries don't get a discount on book buying.*] A ticket to the movie theater was a quarter when I was a kid, but it's in the \$7-10 range now. At the library, DVDs rent for \$1 for a whole week! [*And the books are always free!*]

The library collection is over 200,000 books, 10,000 DVDs, e-books, digital audiobooks and more. Cake pans, SAD lamps, air quality monitors, VR headsets, and telescopes are just a sampling of the Bayliss "Library of Things". The building and parking lot have free Wi-Fi and internet-connected computers, free notary services, tax forms, programs for adults and children, And more! Have you tried LIBBY? It's a FREE audio book service (compared to about \$150 per year for Audible). And, if the library doesn't have a book you want, another library in the state probably does and it will be loaned to you without cost.

Have you ever attended a FREE program or movie at the library? They are top-rate and there's something for everyone every month. What about Children's Story Time? Or Yarn Workers? How about using the reading machines for the visually challenged?

Is the library worth this millage? I voted YES and I encourage you to vote YES as well on February 27th.

Linda Stoetzer,

President, Friends of Bayliss Library

Summer Book Sale Success!

This year's Summer Book Sale was a great success, but, as always, it took a lot of volunteers and many days of work to get ready. We started with three Book Donation Days, in May, June, and July. We collected lots of good-quality books, puzzles, magazines, and DVDs, to offer at the book sale. On Tuesday, July 26, the book haulers brought all the boxes of books, DVDs, puzzles, and magazines from our storage unit, and our sorters started the sorting process.

The Friends-First Early-Bird Sale started at 4:30 on Thursday and our Friends members came to shop! The "Michigan Specials" and puzzle tables were especially popular, with just a few selections available for Friday shoppers. The Early-Bird Sale, and sales to sorters, brought in over \$600.00 - a very good start to the Summer Sale!

Friday morning, July 28, the sale opened at 9 a.m. Shoppers showed up and started filling bags and boxes with

their finds, from both inside and outside the Library. After a busy day, we closed the Sale at 4:00 p.m., straightened up the room again, and counted another \$815.00 to add to our Sale total.

Saturday, July 29, was a pretty slow day for sales, even with the "Saturday Special" of \$3.00 a bag. We still moved quite a few books and almost all of the puzzles. At 1:00 p.m., the packers and haulers showed up, boxed up the leftovers, and moved them back to the storage unit. Another Summer Book Sale was in the books - so to speak! Total book sale proceeds were \$1,899.05! That's almost \$300.00 more than last year's Summer Sale.

We couldn't do these book sales without lots of hard-working volunteers. This year we had 42 volunteer workers, and several worked many days during the week, including Gail Essmaker, Jamie Randolph, Judy Baxley, and Jeanne Wellington. Here is the list of all who *(continued on next page)*
